DAY ONE

DECOMPRESS & UNWIND

Your journey of connection and discovery begins at 2 pm, as you step out of the car into the shade of the majestic SEQUOIA tree.

It is now time to arrive truly. Sink into the large bath tub, take a nap or relax on your spacious panoramic balcony day bed with a bottle of sparkling wine and a charcuterie platter. Watch the wallabies and kangaroos forage beneath your feet as you indulge in losing track of time.

When the sun sets, gather around the campfire to discover more about the local indigenous culture and listen to some fascinating Dreamtime stories about this land's creation. Sample some local craft cheese together with the stick bread you have just roasted over the flames.

As night falls, head to dinner at the three-chef-hatted Hardy's Verandah restaurant and enjoy a meal out of this world, framed by glittering views over the Piccadilly Valley.

Good night.

DAY TWO

RECONNECT & DISCOVER

Rise with the sun and fill your lungs with the cleanest mountain air as you are being guided along the Heysen Trail to Mount Loft Summit.

After catching the gorgeous sunrise views over Adelaide's city, suburbs and plains, hike along the Heysen Trail over to Cleland Wildlife Park for an intimate experience of feeding an echidna.

The morning is still young when you are being driven back to SEQUOIA, where a delicious, well-deserved artisan breakfast awaits you. After breakfast, retreat and refresh for the next part of your day.

When you hear the roaring sound of a helicopter approaching, it is time to buckle up and enjoy a scenic flight over to the Barossa Valley.

Here, you may choose to stop by at Henschke's Winery for lunch with Steven Henschke himself, or you may want to spend the rest of the day at Seppeltsfield to taste the tawny of your year of birth, followed by a late lunch at Fino's.

After your return to the lodge by helicopter, it is time to relax. Enjoy the heated natural springs in one of SEQUOIA's Japanese Onsen before a casual dinner either at the lodge lounge or on your balcony. To conclude this wonderful day snuggle up in bed to watch a great movie or take the time to read a book before you drift off to sleep.

Good night.

DAY THREE

REVIVE & INDULGE

Today is all about indulgence and living out the finer things in life.

The experience begins with a walk through the Penfolds Magill Estate winery, famous for its world-class Grange. The walk is followed by a visit of the winery's well-known underground drives, and culminates with an exclusive tasting of the Penfolds Collection and the limited Cellar Reserve range.

A 4WD tour into Onkaparinga Gorge lets you come close with indigenous history, native animals, and geology that dates back 600 million years before you get to enjoy lunch in the charming 1850's homestead of the highly regarded Salopian Inn.

After lunch, it is time to challenge your mind with a tour of the Alternate Realities Museum and to tickle your taste buds with a private tasting of d'Arenberg's best Shiraz wines in the Cube Cellar Door.

And the day is not over yet! From here, you head to enjoy a private tasting with Emmanuelle Bekkers from Bekkers Wine. Before returning to SEQUOIA, your last stop will be at the Adelaide Hills' most celebrated sparkling producer, Deviation Road, where you finish your indulgent day with their Noble Cuvée sparkling flight tasting.

Back at SEQUOIA, take a shower and dress up for a night out in town. Experience dinner at Africola, one of Adelaide's most talked restaurants, and check out the bustling East End.

Good night.

DAY FOUR

ENRICHED & COMPLETE

Your last day is a day of city culture and exploration, art and history, and it all begins with a sleep-in before you are being picked up for a short drive to the Adelaide Central Markets.

Surrounded by the vendors and early shoppers' hustle and bustle, enjoy a tasty breakfast at one of the lovely market cafes. Afterwards, it is time to explore the stalls, savour some treats, and chat with some of the most iconic market families.

From here, it is a short walk over to the Jam Factory, a unique not-for-profit organisation that supports talented local designers and artists by showcasing their superb craftsmanship.

The next Adelaide icon to visit is the South Australian Museum. You are being given a private tour that leads you through the world's most extensive collection of Aboriginal ethnographic material.

To conclude your day of exploration, enjoy a leisurely lunch at the Penfold's Winery's Magill Estate Kitchen before heading back to SEQUOIA.

And just before you return to reality, allow yourself to retreat once more. Reminisce about the experiences of the last few days as you enjoy a rejuvenating massage at Gate Keeper's Day Spa.

Goodbye, and see you again.
